Playing Shuffleboard With Grandpa

There is a shuffleboard court where my grandpa lives. Most of the men there play shuffleboard. Grandpa likes to play and sometimes he takes me with him. He says I can be his partner anytime. Grandpa is a very good player and often wins.	10
Shuffleboard is played on a very smooth walk. Grandpa waxes the walk before a game. Each player uses a long stick to push disks down the walk. You try to get the disks into spaces marked with numbers. You can get seven, eight, or ten points. You can lose ten points if your disk lands in the wrong section. You have to be very careful about how you push the disks.	21
Grandpa taught me how to play shuffleboard when I was five. He says the secret to playing well is to push the disk very smoothly. If you push too fast, the disk goes much too far. If you jerk the stick, it goes off the side of the court.	34
Last week there was a special family day at my grandpa's place. There were contests and games for people to play. Grandpa said I could be his partner in shuffleboard. We got the most points of any of the other teams and won a blue ribbon. Grandpa says I'm the shuffleboard champ of all time.	44

Short Form Directions

Make sure you have reviewed the long form of the directions in the *DIBELS Administration and Scoring Guide* and have them available. Say these specific directions to the student:

Please read this (point) out loud. If you get stuck, I will tell you the word so you can keep reading. When I say "Stop," I may ask you to tell me about what you read, so do your best reading. Start here (point to the first word of the passage). Begin.

Start your stopwatch when the student says the first word of the passage.

At the end of **1 minute**, place a bracket (**]**) after the last word provided by the student, stop and reset the stopwatch, and say, ***"Stop."*** (remove the passage)
