

## ORF Progress Monitoring 10

### The New Bookstore

Grandma said, "I want to take you and your sister to the new bookstore at the mall." She picked us up from school and drove us to the mall. The bookstore is huge. There are books on pets, gardens, hobbies, and travel. There are rows of magazines and papers. There are tapes, videos, greeting cards, and calendars.	13
The new bookstore is so big it even has a place to get something to eat. We asked Grandma if we could have a snack.	25
She said that we could have cookies and juice. Grandma had coffee.	38
Grandma wanted to look at the cookbook section. She showed us where she would be. Then she took us to the children's corner. It was perfect for us. There were pillows and stuffed toys everywhere. The tables and chairs were all our size.	48
There were more books than I had ever seen in one place. It was even bigger than the library. My sister started looking at picture books. I found books about magic tricks.	57
Grandma found us and said she was almost ready to go. She said because we were so good we could each pick out a book to buy. My sister got <i>When You Give a Mouse a Cookie</i> . I got a book about secret magic tricks.	70

## DIBELS® Oral Reading Fluency

### Short Form Directions

Make sure you have reviewed the long form of the directions in the *DIBELS Administration and Scoring Guide* and have them available. Say these specific directions to the student:

***Please read this (point) out loud. If you get stuck, I will tell you the word so you can keep reading. When I say "Stop," I may ask you to tell me about what you read, so do your best reading. Start here (point to the first word of the passage). Begin.***

Start your stopwatch when the student says the first word of the passage.

At the end of **1 minute**, place a bracket ( **|** ) after the last word provided by the student, stop and reset the stopwatch, and say, ***"Stop."*** (remove the passage)
