

## ORF Progress Monitoring 6

### Writing My Life Story

Today our teacher said we would each write a story. She said	12
if we wanted we could draw pictures to go with it. I decided to	26
write my life story. I started with the night I was born. I drew a	41
picture of me as a tiny baby. I wrote about what my first words	55
were and how I liked to play.	62
When I was little I was always making tall towers. My	73
grandfather said he thought I would build hotels when I grew up.	85
I drew a picture of me playing with my blocks.	95
I also liked to ride my scooter and swing on the swings in the	109
park. I drew pictures of me on my scooter and a picture of my	123
dad pushing me on the swing. The next picture is of me licking	136
an ice cream cone and getting it all over me. I still love chocolate	150
ice cream.	152
Then I wrote about my first day at school. I wrote about how	165
I cried and cried because I didn't want my mother to leave me. I	179
made a drawing of me with a sad face. The last page is about my	194
last birthday party. I drew of picture of me blowing out the	206
candles on my birthday cake. There are six candles and I blew	218
them all out.	221

## DIBELS® Oral Reading Fluency

### Short Form Directions

Make sure you have reviewed the long form of the directions in the *DIBELS Administration and Scoring Guide* and have them available. Say these specific directions to the student:

***Please read this (point) out loud. If you get stuck, I will tell you the word so you can keep reading. When I say "Stop," I may ask you to tell me about what you read, so do your best reading. Start here (point to the first word of the passage). Begin.***

Start your stopwatch when the student says the first word of the passage.

At the end of **1 minute**, place a bracket ( **]** ) after the last word provided by the student, stop and reset the stopwatch, and say, ***"Stop."*** (remove the passage)
