When Grandpa and I Garden

When I visit Grandpa he lets me help him in his garden.	12
Grandpa says I have a green thumb. I don't know why he says that because my hands always get dark brown from the dirt.	25
We made a space in his garden just for me to grow things. We pulled up the weeds and made the dirt smooth and flat.	36
Grandpa showed me how to use a hoe. He let me pick seeds to plant. I like to eat radishes and carrots so I wanted to plant those.	49
I have one row of each. Grandpa likes strawberries so he grows those. He said I could eat some anytime I want.	61
Together we planted four rows of corn and two rows of beans. Grandpa also planted potatoes and squash. The plants are starting to come up now. At first they were so tiny I could hardly see them. When the days warmed up, the plants shot up like weeds. Now the strawberries are turning red.	75
It's a lot of work having a garden. We have to keep it watered and pull the weeds. We have to watch out for bugs and slugs. All the work is worth it when the strawberries are ready to pick. We have strawberry short cake for dessert with fresh ripe strawberries from the garden!	89

Start your stopwatch when the student says the first word of the passage.

At the end of **1 minute**, place a bracket (|) after the last word provided by the student, stop and reset the stopwatch, and say, **"Stop."** (remove the passage)
