### Strawberry Jam

Dad never liked the jam we bought at the grocery store. He said it just didn't taste as good as the jam his grandmother used to make. When we told Grandma, she said she would show us how to make real homemade strawberry jam. She said we could make the jam as soon as the strawberries were ripe.

When the berries were ripe we all drove out to the farm to pick fresh strawberries. Grandma knows where to go to get the good ones. She showed us how to choose the reddest ones to make the best jam. The farmer gave us buckets and told us which rows we could search for berries.

It took us a while to fill our buckets. The nice thing about picking the berries is that we were allowed to eat a few. They were delicious.

Grandma finally said we had enough berries to make jam. The farmer weighed our buckets and told us how much to pay. Dad asked if he wanted to weigh me too for all the berries I had eaten. The farmer just laughed.

When we got home, Mom had jars and sugar set aside to make the jam. Grandma washed the berries and showed me how to hull them. Next we measured everything into a big pot and started to cook the jam. When it was finished we poured the hot jam into jars and sealed the jars with metal lids. Of course, we had to try some jam on toast after it cooled. Our jam was much better than any in the store.

## DIBELS® Oral Reading Fluency Short Form Directions

Make sure you have reviewed the long form of the directions in the *DIBELS Administration and Scoring Guide* and have them available. Say these specific directions to the student:

***Please read this (point) out loud. If you get stuck, I will tell you the word so you can keep reading. When I say "Stop," I may ask you to tell me about what you read, so do your best reading. Start here (point to the first word of the passage). Begin.***

Start your stopwatch when the student says the first word of the passage.

At the end of **1 minute**, place a bracket ( **[ ]** ) after the last word provided by the student, stop and reset the stopwatch, and say, ***"Stop."*** (remove the passage)
