

## **SCHOOL HEALTH SERVICES FACT SHEET**

**Goal-** To keep students in good health so they can do well in school.

**Purpose-** Provide on-site school nurses 5 hours min. per every school day to:

- ❖ Strengthen protective factors by helping youth maintain good health.
- ❖ Reduce risk factors related to lack of medical care and attention
- ❖ Provide comprehensive information about wellness and health life choices.
- ❖ Provide episodic, emergency healthcare and routine health care to chronically ill students.

**53 Schools Total-** 31 elementary schools, 11 middle schools & 11 high Schools

**Target Population/Schools-** Broward County School Board's list of neediest schools based upon the percentage of students meeting the following criteria:

- ❖ Qualify for free & reduced lunch
- ❖ Have chronic health conditions that include asthma, diabetes, and seizures
- ❖ Experience frequent health incidents
- ❖ Require regular administration of medications
- ❖ Accumulate excessive absences
- ❖ Demonstrate limited English proficiency

**Total Allocation:** FY 07/08 = \$1,611,050.00

### **3 Providers:**

- ❖ Broward County Health Department (19 schools)
- ❖ IntelliStaf Healthcare, Inc., a wholly owned subsidiary of Medical Staffing Network, Inc. (27 schools)
- ❖ Broward Children's Center (7 schools)

### **Models of Service Provision**

- ❖ Broward County Health Department- Full time RN per school
- ❖ IntelliStaf Healthcare, Inc.- Blended model- RN in each school or a team of LPN's supervised by an RN.
- ❖ Broward Children's Center- Blended model- RN supervises a team of LPN's through a family centered approach.

**Service Delivery:** RN's and LPN's shall provide health education and basic health care for school-aged youth within assigned Broward County Public Schools, to include:

- ❖ acute, episodic, chronic and emergency health intervention
- ❖ administration of medications
- ❖ case management of students with chronic conditions
- ❖ education and counseling to students and parents on health issues
- ❖ screenings and assessments
- ❖ trainings for school personnel on student health needs

**Program Evaluation-** Monitored by The School Board of Broward County's Health Education Services Dept. and Children's Services Council of Broward County's Program Services Specialist.
