FAMILY SUPPORTS 2027 RFP COMMUNITY INFORMATION SESSION

Are you interested in applying for funds for programming that will begin in October 2027?

This funding opportunity is intended for organizations with demonstrated experience serving children and families in Broward County and delivering evidence-based or evidence-informed services aligned with the goals of the specific program area

Family Strengthening: Does your organization provide services to families at risk of child abuse and neglect, families at risk of out-of-home placement, or families experiencing crisis?

Caregiver Support Services (formerly Kinship): Does your organization provide services that support relative and non-relative caregivers raising children when biological parents are unable to do so?

Moms Overcoming Maternal Stress: Does your organization provide services that address maternal emotional distress, including depression and anxiety, among perinatal parents?

Visitation & Co-Parenting Education Services: Does your organization have experience providing supervised visitation, therapeutic visitation, and/or co-parenting education services for families involved in family court?

Weekend Caregiver Relief (formerly Respite): Do you have experience operating structured, facility-based programs that provide children with safe, engaging activities while offering caregivers temporary relief from caregiving responsibilities?

Safe Sleep: Does your organization have experience providing infant safe sleep education, risk-reduction training, and/or crib distribution services to families?
