

CHILDREN'S SERVICES COUNCIL OF BROWARD COUNTY
25 Years of Impact Summit

Be Part of 25 Years of Impact—and Help Shape What Comes Next

Dear Community Partner,

For 25 years, the Children's Services Council of Broward County has worked alongside our community with one powerful purpose: to help Broward's children and families thrive.

This impact has never been achieved by one organization alone. It has been made possible through the dedication of nonprofits, businesses, educators, local leaders, families, advocates, and community champions who share a common belief: when we invest in children, we strengthen the future of our entire community. As we celebrate this extraordinary milestone, we invite you to be part of this special moment.

The Children's Services Council of Broward County's 25 Years of Impact Summit will bring together community leaders, residents, partners, and changemakers from across Broward County. Together, we will reflect on how far we have come, honor the people and partnerships that made this progress possible, and look ahead to the opportunities and challenges that will shape the next generation of children and families.

The Summit will be more than an event—it will be a true community celebration of our collective accomplishments, the strength of our neighborhoods, and the remarkable people who have worked tirelessly to create a brighter future for Broward's children. It will also be an opportunity to reconnect, exchange ideas, and inspire bold action for the next 25 years.

By becoming a Summit Sponsor, your organization will demonstrate its commitment to Broward County and to the children and families who represent its future. Sponsorship opportunities also provide meaningful ways to connect your organization with Summit participants and the broader community through event recognition, digital and print visibility, advertising, exhibitor opportunities, and additional benefits. Most importantly, your participation will send a powerful message:
Our children matter. Our families matter. Their future is a responsibility we all share.

Twenty-five years ago, Broward County made a lasting commitment to its children. Today, we have the opportunity to celebrate all that commitment has accomplished—and to inspire what comes next. We hope you will join us, add your organization's name to this historic milestone, and help make the 25 Years of Impact Summit a joyful and meaningful celebration worthy of the extraordinary community that made these 25 years possible.

Thank you for considering sponsorship and for believing in the power of investing in Broward County's children and families.

With appreciation,
Children's Services Council of Broward County
